SAILING SAFETY POLICY AND STATEMENT OF UNDERSTANDING (MUST BE SIGNED)

The sailing course you are about to begin is an exciting opportunity and challenge to develop sailing skills. Sailing takes place in an environment that is potentially dangerous. It is the responsibility of every student to act at all times with the safety of all foremost in their minds. These rules are intended to provide a safe and enjoyable sailing environment. The following rules are specific requirements that **shall** be followed at all times:

1. This form shall be completed, signed by a parent or guardian, and returned to CBC. The attached registration form, emergency medical form, immunization records and physical examination report, signed "Medical Waiver and Indemnity Agreement", signed "General Release and Indemnity Agreement", and signed "Sailing Safety and Statement of Understanding" shall be included with the application.
2. All students shall wear bathing suits and are required to wear sneakers or other closed-toed shoes (that will get wet) to prevent injury. It is recommended that students bring other weather appropriate clothing such as a sweatshirt or light jacket, sunglasses, hat, and a towel. CBC encourages students to wear SPF 30+ sun block on all exposed skin to prevent sunburn.
3. Personal flotation devices (PFDs - life preservers) shall be worn (properly fitted and fastened, including a whistle) by all students and instructors at all times while on the water, docks, and floats.
4. Each applicant shall pass a basic swim check at the start of the program. The swim check will consist of treading water for 2 minutes and swimming 50 yards wearing a life jacket.
5. The above list cannot be comprehensive. When in doubt, all students must act in such a way that their personal safety and that of others is not jeopardized by their actions or lack of actions. The student understands that upon entering this sailing program he or she agrees to obey all program rules here and as set forth by the instructors, that I will use the utmost care in the use of the boats and equipment, and that I will not engage in any horseplay or other disruptive behavior.

I have read the above Safety Policy and Statement of Understanding. I and the student agree to act in accordance with both the spirit and the letter of the rules.
